PROFESSIONAL SUMMARY

Certified Java Developer with 2+ years' experience in Core Java, Java 8, Spring Boot, and MySQL. Proven communicator, committed to surpassing project goals and client expectations. Worked on the Payment Integration project, leveraging **Spring Boot, microservices, and Java frameworks**. **Ready to deliver impactful solutions for your organization's success.**

TECHNICAL SKILLS

- **Back-end Technologies** - Core Java, Java 8, Rest API, JSP, Servlet, JDBC, C++.
- **Front-end Technologies** – HTML5, CSS3, JavaScript.
- **Java Frameworks** - Familiarity with Spring Boot, Spring Core, Spring MVC, Hibernate.
- **Database** - Understanding of SQL and JPA queries.
- **Version Control** - Knowledgeable of Git.
- **Problem Solving**- Strong analytical skills for resolving complex technical challenges.
- **Communication** - Effective collaboration and communication with teams and clients.
- **Tools** – Eclipse, Vs Code, IntelliJ, Git, Postman, MySQL Workbench, WordPress, Wix.

EXPERIENCE

✚ **JAVA DEVELOPER | NeoSOFT Technologies Pvt. Ltd., Pune**

June 2023 - Present

- **Project 1 | Pay Stream**
- Developed **RESTful APIs** using frameworks like **Spring Boot** to expose services and endpoints for client-server communication.
- Implemented error handling and robust exception management strategies to ensure the reliability and resilience of API interactions.
- Collaborated closely with cross-functional teams, including designers and QA engineers, to ensure seamless integration and high-quality deliverables.
- Conducted thorough testing and debugging to identify and resolve issues, resulting in a stable and reliable payment system.
- Debugging java application to identify and resolve issues promptly.
- Effectively applied design patterns like factory pattern and effectively utilizing OOP's & design standards to design and develop modular applications.
- Contributing ideas and insights during team meetings to enhance project outcomes.
- Designed and optimized database schemas, tables, and indexes to improve performance and ensure data consistency.
- Keeping up-to-date with latest Technologies and Framework.

PROJECTS

- **Project 1 | Complaint Management System-** Spring Boot, MySQL, HTML5/CSS3, JavaScript
 - Developed and deployed a full-stack Complaint Management System using **Spring Boot**, **RESTful APIs**, and **MySQL** for CRUD operations, soft deletes, and user authentication.
 - Implemented **Login/Registration**, password reset, and user/admin role-based access control for enhanced security.
 - Created a responsive **HTML5/CSS3 frontend** with dynamic filtering, pagination, and Bootstrap-integrated UI for viewing and submitting complaints.
 - Built RESTful APIs for **complaint CRUD operations**, with support for pagination, filtering, soft delete, and sorting in the backend.
- **Project 2 | Payment Integration System-** Spring Boot, MySQL, HTML5/CSS3, JavaScript
 - Designed and developed a real-time payment tracking system with secure transaction management using **Spring Boot** and **MySQL**.
 - Implemented **RESTful APIs** to support CRUD operations, payment status updates, Add, Filter, Pagination, Update or delete and modular backend structure.
 - Integrated a responsive frontend using HTML5, CSS3, JavaScript, and Bootstrap for seamless user experience.
 - Implemented secure login system with validation and future scalability for admin/user roles.
- **Project 3 | Shipping Agency Website-** HTML5, CSS3, Bootstrap
 - Designed and built a static multi-page shipping agency website with structured sections including Home, Services, Blog, and Contact.
 - Integrated login/signup forms and social media icons using HTML5 and Bootstrap components for clean UI.

EDUCATION

✚ VISVESVARAYA TECHNOLOGICAL UNIVERSITY, BELAGAVI	CGPA YOP
VSM'S SRK Institute of Technology, NIPANI	7.6 2018 - 2022
B.E in Electronics & Communication Engineering	

CERTIFICATE

- ✚ **Java Full Stack Development** certification
- ✚ Completed a **Web Development** Internship

ACHIEVEMENTS

- ✚ Maintained a **Top Rank** throughout all semesters of my **Engineering Degree**.
